PIG® CHAT MAT® Roll

MAT607 Heavyweight, 61cm x 23m, 1 roll

Keep floors dry whilst delivering a message that can't be ignored! Absorbent mat features a repeating graphic to reinforce safety or cleanliness.

- – Clearly visible messages are repeated down the length of the roll to help create a safer environment for workers
- – Durable top layer prevents wear, even under heavy foot traffic
- – Under the Chat Mat top layer is the proven layered, 100% polypropylene construction of PIG Mat, the strongest mat on the market!
- – Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- – Absorbs and retains oils, coolants, solvents and water
- – Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- – Can be wrung out and incinerated after use to reduce waste or for fuels blending
- – Easy-tear perforations let you take only what you need, so you use less mat and save money
- – High-visibility yellow colour is easier to see in poorly lit areas to minimise tripping hazards; alerts workers to potential dangers and works in progress

Item#	Description	Dimensions	Weight
MAT607-634	Don't Let a Drip Turn Into a Slip. Clean Up.	61cm W x 23m L	5 kg
MAT607-581	Caution-Watch Your Step	61cm W x 23m L	5 kg

Item#	Description	Dimensions	Weight
