

PIG® Conical Drain Plug

PLR209 For 8cm Dia. Drains, 1 each

Ideal for plugging the outflow on long channel and trench-style drains.

– Durable polyurethane plug forms a liquid-tight, chemical-resistant seal in seconds
– Simply wedge plug in drain outflow pipe
– Installed plug is low-profile enough to fit below floor grate
– Allows your drain to function normally when plug is not in place; removes easily

Urethane Notice

Due to the nature of softer urethane, the physical properties of these products may change over time with exposure to certain environmental conditions like temperature, humidity and UV radiation. Typical life expectancy is 5 years. Please inspect the stored

product regularly to ensure it is in a usable state. For optimum performance, ensure that the area where the product will be deployed is free of debris, cracks and holes. For more details and for chemical compatibility, please call Technical Services.
