

PIG® DrainBlocker® Rapid Response Drain Cover

PLR604 For Square Drains up to 91cm & Round Drains up to 91cm Dia., 1 each

This DrainBlocker cover is economical enough to place near all your spill-prone drains.

- Affordable design helps you meet spill plan requirements without buying more blocker than you need
- Specially designed to work in emergency spill applications; mount on a wall (bracket sold separately) or store in a spill kit
- Polypropylene top layer prevents drain cover from stretching or tearing when you pick it up
- Super-sealing urethane bottom layer creates a tight seal on drain openings
- Cover resists chemicals, oils and detergents
- Ideal for drain protection where liquid transfers, washdowns or other leak- and spill-prone jobs are common
- Packaged in a hi-viz storage tube (suitable for indoor locations) so workers can find it fast and get to the spill
- For outdoor storage use a Weather-Resistant Storage Tube for PIG Rapid Response DrainBlocker Drain Cover (PLR700)

Disclaimers

Urethane Notice

Due to the nature of softer urethane, the physical properties of these products may change over time with exposure to certain environmental conditions like temperature, humidity and UV radiation. Typical life expectancy is 5 years. Please inspect the stored product regularly to ensure it is in a usable state. For optimum performance, ensure that the area where the product will be deployed is free of debris, cracks and holes. For more details and for chemical compatibility, please call Technical Services.
