

PIG® Dri Loose Absorbent in Spill Pouch

PLP220 For Oils, Coolants, Solvents & Water,
Absorbs up to 17 L per box, 12 bags

Easily pour just the right amount of loose absorbent onto a spill from this rigid pouch.

- Rigid, resealable pouch packed with PIG Dri Loose Absorbent is perfect for small spills; reduces waste from using too much absorbent when using larger bags of loose
- Allows for quick, more precise dispensing with less dust; no scooping or shoveling needed
- Easy-to-handle pouch helps reduce injuries from lifting heavy bags of loose
- Compact, saves space and fits easily inside spill kits, workbenches and vehicle compartments
- Each pouch holds approximately 1.35kg of PIG Dri Loose and absorbs up to 1.4 litres
- PIG Dri Loose absorbs and retains oils, coolants, solvents and water, is silica-free and highly absorbent
- Great for both indoor and outdoor use, getting into cracks and crevices without blowing around
