

# PIG® DRI Loose Absorbent

PLP219 For Oils, Coolants, Solvents & Water, Absorbs up to 9.5 L per box, 4 each

This silica-free loose absorbent combines the heavier consistency of clay with high absorbency to pull industrial liquids from your floor. Also great for outdoor use because it doesn't blow around.

- Unlike clay, which is simply coated with liquid, fast-wicking cellulose-based kaolin granules begin to soak up liquid the moment they touch the spill
- Contains 47% post-consumer recycled cellulose and 53% Kaolin, ideal when green products are desired or required
- Silica-free composition does not pose the health hazards associated with breathing in clay dust
- Light-weight absorbent is easier than clay to carry and use without injury
- Absorbs and retains oils, coolants, solvents and water
- Can be incinerated after use to reduce waste or for fuels blending

<b>Colour</b>	Grey
<b>Fluids Absorbed</b>	Oils, Coolants, Solvents & Water
<b>Recycled Content</b>	47% Post-Consumer Recycled Cellulose Waste
<b>Absorbency</b>	Up to 9.5 L per box
<b>Sold as</b>	4 per box
<b>Weight</b>	9.08 kg
<b># per Pallet</b>	36
<b>Composition</b>	47% Cellulose; 53% Kaolin
<b>Volume</b>	2.3 kg Container
