PIG® Drive-Over Build-A-Berm® Barrier Repair Material

PLR526 For Drive-Over Build-A-Berm Barrier

Make easy repairs to your Drive-Over Build-A-Berm Barrier. Keep a roll on-hand to avoid downtime in the event of a puncture or tear.

- Replacement roll measures 3m long so you can roll out what you need and cut to size
- Made from the same durable material as our Drive-Over Build-A-Berm Barriers
- Affix patch to barrier with sealant or vinyl cement (not included) to create a leakproof, permanent bond
