

PIG® Dryer-Safe Reusable Water Absorbent Sock

WTR019 8cm x 97cm, Absorbs up to 10 L per box, 10 socks

Launderable sock absorbs condensation and small water leaks, and can be machine-washed and dried up to 50 times!

- Put this sock on windowsills or around coolers, freezers or air conditioners or in other damp areas to absorb condensation and small leaks
- Soak up water, then toss in the washing machine and dryer to reuse
- Washable, dryer-safe sock can be reused up to 50 times!
- Ideal for use in schools, hospitals, universities, hotels and facilities with onsite laundry services
- Machine wash cold, tumble dry; can use detergent if desired
- For use with water only
