

PIG® Durable Cushioned Mat

MAT228 Heavyweight, 91cm x 23m, 1 roll

Combining absorbent and anti-fatigue properties, this durable roll helps keep floors dry and workers comfortable.

- Thick, cushioned construction helps reduce foot and leg fatigue whilst keeping floors dry and safe
- Made of durable, 95% post-consumer recycled fibres; ideal when green products are desired or required
- Abrasion-resistant mat won't ball or fray, even under moderate foot traffic
- Heat resistant for high-temperature environments and absorbing hot liquids
- Absorbs and retains oils, coolants, solvents and water
- Can be incinerated after use to reduce waste or for fuels blending
- Dark grey colour hides grime, so mat stays on the job longer
- Rolls are ideal for walkways and large areas to soak up leaks and overspray

Specifications
