PIG® Eco-Friendly Compact Spill Kit

KITE210 Absorbs up to 7 L, 1 each

Stuffed with super-thirsty absorbents, our small eco-friendly Kit can handle a surprisingly big spill! A compact "Green" wallet makes transport simple, and its recycled-content pads and pillow soak up more liquid with less environmental impact.

– Super-absorbent PIG BLUE® Mat Pads and PIG® Pillow have maximum capacity for soaking up spills of oils, coolants, solvents or water
– Environmentally friendly absorbents feature high recycled content; reuses material that would normally enter a waste stream
– Reusable wallet is constructed out of jute plant bark; naturally strong and durable with waterproof inner coating to keep Kit clean, dry and ready to use
– High-visibility colour helps identify Spill Kit location; saves valuable time during response
– Hook-and-loop closure is easy to open for fast access to absorbents
– Carry handle affords convenient transport; makes it ideal for hanging on a wall, storing in a cabinet or being carried in a vehicle cab
– Compact design takes up little storage room and effectively deals with minor spillages
– Contains temporary disposal bags — also made from recycled polymers — and ties for neat and simple disposal of used absorbents

Dimensions	10cm W x 38cm L x 46cm H
Fluids Absorbed	Oils, Coolants, Solvents & Water
Recycled Content	75% Pre-Consumer Recycled Cellulose
Absorbency	Up to 7 L
Sold as	1 each
Weight	1.58 kg
# per Pallet	96
Composition	Pads: Natural and recycled fibres

	Pillow: Recycled cellulose filler, polypropylene skin Disposal Bags: Regran polyethylene (recycled polymers) Spill Kit Bag: Jute
Includes	4 - 38cm x 48cm PIG BLUE Absorbent Pads (BLU101) 1 - 25cm x 25cm PIG Universal Pillows (PIL204) 2 - 46cm x 76cm Regran Polyethylene Disposal Bags & Ties (BAGE203-S) 1 - Spill Kit Folder 1 - Spill Kit Chemical Compatibility Guide
