

PIG® Elephant Mat

MAT256 Mediumweight, 84cm x 23m, 1 roll

For jobs with "tons" of foot traffic, you need the extra durability of PIG Elephant Mat. Zigzag stitching adds high walk-on strength.

– Highly absorbent layered PIG Mat is zigzag stitched to offer excellent walk-on durability
– Designed specifically for heavy foot traffic or moderate to light wheeled traffic; put the zigzag side up to extend product life
– Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
– Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
– Absorbs and retains oils, coolants, solvents and water
– Dark grey colour hides grime, so mat stays on the job longer
– Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
– Can be wrung out and incinerated after use to reduce waste or for fuels blending
– Rolls are ideal for walkways and large areas to soak up leaks and overspray
