

PIG® Elephant Mat

MAT265 Mediumweight, 42cm x 46m, 2 rolls

For jobs with "tons" of foot traffic, you need the extra durability of PIG Elephant Mat. Zigzag stitching adds high walk-on strength.

- Highly absorbent eight-layer PIG Mat is zigzag stitched to offer excellent walk-on durability
- Designed specifically for heavy foot traffic or moderate to light wheeled traffic; put the zigzag side up to extend product life
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime, so mat stays on the job longer
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat whilst on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Rolls are ideal for walkways and large areas to soak up leaks and overspray
