

PIG® Empty Large Spill Caddy

PAK820 (2) 20cm Polyethylene, (2) 4cm Swivel Rubber Casters, 1 each

Buy an empty cart with swing out doors and fill it with your own supply of PIG Absorbents to create a high-visibility spill response station.

- Stock this empty cart with the PIG Absorbents and PPE that you need for the liquids at your facility
- When filled, cart can be used as a large mobile spill kit or as a highly visible central station for absorbents and spill supplies
- Doors and lid open for full access; thoughtfully designed so you can find what you're looking for without digging or dumping kit
- Cart is almost 3X larger than our original Spill Caddy
- 20cm rear wheels roll easily over uneven surfaces; front swivel casters let you pivot cart and move from a resting position without tipping it back
- Designed to hold a mounted roll of PIG Mat for easy pull-and-tear dispensing (dowel not included)
- Lockable cart (padlock not included) features adjustable shelves and built-in door pocket for documents and instructions
- 76cm width fits through doors and aisles
- Note: Not for outdoor storage
