

## PIG® Essentials Chemical Spill Kit - Wheeled Container with Drop Front

CSKWB1000 Absorbs up to 938 L, 1 each

High-vis container kit rolls to big spills!

- Packed with a selection of chemical socks, booms, mat pads and pillows to help efficiently manage, contain and absorb large spills of nearly any type of caustic, hazardous or unknown liquid – including acids, caustics, solvents and chemicals
- Brightly coloured container is highly visible, making it easy to identify during spill emergencies
- Integrated handle and 200mm dia wheels, with rubber tyres, make this kit extremely easy to manoeuvre to spill site
- Hinged lid, drop down front and organised absorbents help you respond quickly and efficiently to spills
- Durable polyethylene container helps keep kit contents clean and dry to ensure maximum product performance in use
- Complete refill kits can be ordered or individual components can be ordered separately
