

PIG® Essentials IBC Hardtop Containment Pallet

PAKE279 Holds (1) 1000 ltr. IBC, 1260 L Sump Capacity, 2500 kg Load Capacity

Load your IBC into this roomy Hardtop Containment Pallet for all-weather protection and liquid containment.

- Rigid, polyethylene construction is ideal for the storage of chemicals and hazardous waste collection
- Ample head space for IBCs fitted with mixers, funnels or pumps still in place
- Integrated 2 litre platform spill tray plus 70cm high pallet sump catches leaks, drips and spills
- Weather-resistant design prevents contaminants from entering stormwater and protects the IBC inside
- High-quality, UV-stabilised polyethylene construction is extremely durable
- Double swing doors with three-point locking mechanism (2 keys supplied) for secure storage and easy access
- Forkliftable from all 4 sides, whilst empty
- Two large platform apertures allow sump inspection to identify if there has been a spill without having to remove the platform
- Integrated venting panels to allow air circulation throughout the unit
- Roof designed for quick rainwater run-off to the rear
- Supplied flat pack, assembly required (instructions included)
