

PIG® Essentials Oil-Only Absorbent Mat Pads

MATE808 Lightweight, 40cm x 50cm, 200 pads

Oil-Only Mat Pads quickly absorbs oil for effective clean-up of high-volume petroleum-based spills on land or water.

- High loft meltblown design increases surface area on spill; mat starts wicking on contact to save time in critical situations
- Provides quick, efficient clean-up to help protect the environment from contamination
- Meltblown polypropylene fibres are naturally hydrophobic and repel water (and float) while only absorbing oils and other hydrocarbons
- Fibres are randomly assembled to create a lofty mat that absorbs high volumes of liquid fast
- Works equally well on land or water; floats when fully saturated
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need so you use less mat and save money
