

## PIG® Essentials Oil-Only Absorbent Pillow

PILE806 46cm x 46cm, Absorbs up to 87 L per box, 10 pillows

Use Oil-Only Pillows to absorb high-volume leaks and spills of oil and other petroleum-based liquids on land or water.

- Selectively absorbs petroleum-based liquids and not water
- Pillows are easy to place in hard-to-reach areas — use under machines and leaky hydraulic hoses or wedge in corners cramped for space
- Pulls liquids from the floor like a sock, catches leaks like a pan, absorbs spills like a pad; versatile product that works for many different jobs
- Ideal for spill response; pillow's large surface area speeds the absorption process and shortens the overall response time on land or water
- White outer skin colour makes it easy to see when it's fully saturated — you save money by not throwing it away too soon
- Works equally well on land or water; floats when fully saturated
