

PIG® Essentials Oil-Only Absorbent Socks

PIGE800 8cm x 120cm, Absorbs up to 92 L per box, 20 socks

Oil-Only Socks contain and soak up petroleum-based fluids fast while repelling water.

- Selectively absorbs petroleum-based liquids and not water
- Ideal for surrounding spilled fluids or wrapping around leaky machines
- Easy and convenient to put into place; contain spills to keep fluids from spreading into larger areas and becoming slippery hazards
- Flexible to conform around machine bases and offer a snug fit with no seepage
- White colour makes it easy to see when it's fully saturated — you save money by not throwing it away too soon
- Polypropylene filler is excellent for both absorbency and liquid retention
- Stitched spunbond outer skin provides extra durability
- Works equally well on land or water; floats when fully saturated
