

# PIG® Essentials Oil-Only Mat Pads

OPL200 Lightweight, 38cm x 48cm, 200 pads

Oil-Only Mat controls spills and overspray to help keep floors dry and safe.

- Large-diameter fibres start wicking on contact to save time in critical situations, helping prevent environmental damage and potential slip hazards
- Provides quick, efficient cleanup; just soak up the spill, then throw the Mat away to get back to work faster
- Loose-stacked weave design maximises absorbency; use less Mat to reduce waste and save on disposal costs
- White colour signifies Oil-Only absorbency for easy visual identification; polypropylene fibres are naturally hydrophobic and repel water (and float) while only absorbing oils and other hydrocarbons
- Light-weight construction is ideal for small tasks and clean-ups
- Pads are ideal for catching drips and soaking up spills
