

## PIG® Essentials Plus Oil-Only Mat Pads

OPBL200 Lightweight, 38cm x 48cm, 200 pads

Oil-Only Mat controls spills and overspray to help keep floors dry and safe.

- Random assembly of large-diameter MeltBlown poly fibres creates a lofty layer
- Mat absorbs high volumes of liquid fast; great for catching overspray or soaking up spills
- Ultrasonic bond points fuse layers of fibres together — Mat keeps its shape even when completely saturated
- Top layer of lint-free SpunBond fabric provides extra strength; "dimples" add fast-wicking power
- White colour signifies Oil-Only absorbency for easy visual identification; polypropylene fibres are naturally hydrophobic and repel water (and float) while only absorbing oils and other hydrocarbons
- Light-weight construction is ideal for small tasks and clean-ups
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need so you use less mat and save money
