

PIG® Essentials Plus Oil-Only Absorbent Mat Roll

MATE816 Heavyweight, 50cm x 40m, 1 roll

Oil-Only Mat Roll controls spills and overspray to help keep floors dry and safe.

- Top layer of low-lint spunbond fabric provides extra strength and tear resistance
- A layer of meltblown polypropylene creates high surface area that enables the mat to quickly soak up liquids on contact
- Mat absorbs high volumes of liquid fast; great for catching overspray or soaking up spills
- Bond points increase speed of absorbency and fuse layers of fibres together — Mat keeps its shape even when completely saturated
- Polypropylene fibres are naturally hydrophobic and repel water (and float) while only absorbing oils and other hydrocarbons
- Works equally well on land or water; floats when fully saturated
- Rolls are ideal for covering large areas and soaking up leaks and overspray
- Easy-tear perforations let you take only what you need so you use less mat and save money
