PIG® Essentials Plus Universal Absorbent Mat Pads in Dispenser Box

MATE737 Lightweight, 40cm x 50cm, 200 pads

Universal Mat Pad controls spills and overspray to help keep floors dry and safe.

- Top layer of low-lint spunbond fabric provides extra strength and tear resistance
- A layer of meltblown polypropylene creates high surface area that enables the mat to quickly soak up liquids on contact
- Mat absorbs high volumes of liquid fast; great for catching overspray or soaking up spills
- Bond points increase speed of absorbency and fuse layers of fibres together — Mat keeps its shape even when completely saturated
- Grey colour signifies Universal absorbency for easy visual identification
- Dispenser box makes it easy to take, carry and store your mat whilst protecting it from dirt and moisture
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need so you use less mat and save money
