

## PIG® Essentials Plus Universal Mat Roll

MRBL300 Lightweight, 76cm x 91m, 1 roll

Universal Mat controls spills and overspray to help keep floors dry and safe.

- Random assembly of large-diameter MeltBlown poly fibres creates a lofty layer
- Mat absorbs high volumes of liquid fast; great for catching overspray or soaking up spills
- Ultrasonic bond points fuse layers of fibres together — Mat keeps its shape even when completely saturated
- Top layer of lint-free SpunBond fabric provides extra strength; "dimples" add fast-wicking power
- Grey colour signifies Universal absorbency for easy visual identification
- Light-weight construction is ideal for small tasks and clean-ups
- Rolls are ideal for covering large areas and soaking up leaks and overspray
- Easy-tear perforations let you take only what you need so you use less mat and save money

### Specifications

Colour	Grey
