PIG® Essentials Polyethylene Storage Cabinet

PAKE268 92cm x 72cm x 184cm, 1 - Non-Adjustable Shelf

Store multiple 1-, 5-, and 25-litre containers or a single 210-litre drum in this robust polyethylene cabinet with removable shelf.

– Integral sump contains any leaks and drips from a 210-litre drum – sump is compliant with current oil storage regulations
– Internal, removable shelf for simple organisation of smaller stored containers
– Removable grid gives easy access to sump for inspection or cleaning
– Lockable door provides secure storage
– Made from polyethylene, it's strong, durable, has good impact resistance, and is easy to clean
– With the shelf removed, 130cm internal height allows a small pump to be fitted to the drum being stored
– Suitable for use as an oil store, chemical store, battery store or paint store
