

PIG® Essentials Pro Universal Mat Pads

MPFH100 Heavyweight, 38cm x 48cm, 100 pads

Universal Mat controls spills and overspray to help keep floors dry and safe.

- Top and bottom layers of FineFibre are built of densely-woven, small-diameter strands of fibre to increase surface area — enabling the Mat to grip the floor and secure it for safer walking
- Large-diameter MeltBlown polypropylene fibres create a high-loft inner layer that absorbs high volumes of liquid fast
- Sonic-bonded "Dimples" add fast-wicking power and strength
- 3-ply construction gives Mat durability to resist heavy foot traffic for longer wear and fewer changeouts
- Grey colour signifies Universal absorbency for easy visual identification
- HeavyWeight construction offers the greatest absorbency
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need so you use less mat and save money
