

PIG® Essentials Single IBC Poly Containment Pallet with Integral Dispensing Bucket

PAKE238 Holds (1) 1000 ltr. IBC, 1100 L Sump Capacity, 1500 kg Load Capacity

Affordable containment with an integral dispensing bucket for everyday IBC storage.

- Open top with integrated support columns provides easy sump access and inspection
- Integrated dispensing bucket helps reduce spills during filling and dispensing
- 1500-kg UDL capacity is strong enough to support one fully loaded IBC
- Molded-in sump catches leaks, drips and spills to help you comply with regulations and keep your storage areas clean and safe
- Polyethylene construction resists UV rays, rust, corrosion and most chemicals
- Forklift entry (from rear only) allows easy movement (unloaded only)
- Compact footprint reduces floor space needed for IBC storage
