

PIG® Essentials Universal Absorbent Booms

BOME700 13cm x 3m, Absorbs up to 88.2 L per bag, 4 booms

Take control of spill response with Universal Booms.

– Strong mesh outer sleeve encases a poly sock skin filled with highly-sorbent filler
– Poly filler is excellent for both absorbency and liquid retention
– A nylon rope and sturdy hardware ensure long-lasting durability and easy retrieval
– Durable, easy-to-use connectors provide a simple and efficient way to link Booms together and create a containment system big enough to handle almost any size spill
– Grey colour signifies Universal absorbency for easy visual identification when responding to spills of non-aggressive liquids like oils, coolants, solvents and water
– Easy and convenient to put into place; contain large volume spills to keep fluids from spreading into larger areas and becoming slippery hazards

Colour	Grey
Dimensions	ext. dia. 13cm x 3m L
