

PIG® Essentials Universal Mat Rolls

MRLS300 Lightweight, 38cm x 46m, 2 rolls

Universal Mat controls spills and overspray to help keep floors dry and safe.

- Sturdy and soft but has a higher loft than standard mats for greater economy without compromising absorbency
- Large-diameter fibres start wicking on contact to save time in critical situations, helping prevent environmental damage and potential slip hazards
- Provides quick, efficient cleanup; just soak up the spill, then throw the Mat away to get back to work faster
- Loose-stacked weave design maximises absorbency; use less Mat to reduce waste and save on disposal costs
- Ultrasonic bond points fuse layers of fibres together — Mat keeps its shape even when completely saturated
- Grey colour signifies Universal absorbency for easy visual identification
- Light-weight construction is ideal for small tasks and clean-ups
- Roll is ideal for covering large areas alongside machinery, conveyors or assembly lines
- Easy-tear perforations let you take only what you need so you use less mat and save money

Specifications

Colour	Grey
Dimensions	38cm W x 46m L
Mat Weight	Lightweight
Fluids Absorbed	Oils, Coolants, Solvents & Water
Absorbency	Up to 151 L per bag
Perforated	Perforated Every 19cm Vertically & Every 43cm Horizontally
Sold as	2 rolls per bag
Weight	8.21 kg
# per Pallet	19
Composition	100% Polypropylene
Packaging	Bag

Poly-Backing	No
UV Resistant	No
