

PIG® Essentials Weatherproof Cabinet Chemical Spill Kit

KITE365 Absorbs up to 57.7 L, 2 - Nonadjustable Shelves

This wall-mounted Weatherproof Spill Kit is perfect for outdoor storage and everyday spill response.

- Packed with a selection of chemical socks, mat pads and pillows to help efficiently manage, contain and absorb small-to-medium-sized spills of nearly any type of caustic, hazardous or unknown liquid, including acids, caustics, solvents and chemicals
- Sturdy, weather-resistant polyethylene container helps protect contents from contamination and moisture during storage to ensure maximum product performance in use
- Brightly coloured door is highly visible, making it easy to identify during spill emergencies
- Easy to open T-lock door provides quick access to absorbents during spill response
- Internal shelves keep spill supplies organised and help save time when selecting exactly the right product you need
