

PIG® Extra-Duty Universal Mat

MAT175 Heavyweight, 81cm x 46m, 1 roll

Both sides of this absorbent mat are tough enough for rough surfaces. PIG Extra-Duty Mat is highly abrasion resistant so it won't rip, tear or fray.

- Special spunbond outer layers resist ripping and fraying from wiping rough surfaces or parts that would shred conventional mats
- No matter how you use it, this mat builds on the proven layered, 100% polypropylene construction of PIG Mat, the strongest mat on the market!
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave behind liquids or fibre residue
- Absorbs and retains oils, coolants, solvents and water
- Low-lint for wiping rough parts or equipment and for cleaning in paint booth applications; also great for lining benches for rough or sharp parts
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Rolls are perforated every 25cm; easy to tear to size, use only what you need
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups
