

PIG® FAT MAT® Super-Absorbent Mat

MAT2102 Extremeweight, 81cm x 23m, 1 roll

This extra-thirsty PIG Mat is made twice as thick for your biggest clean-ups.

– Twice as many layers as original PIG Mat; 100 polypropylene is thermally bonded to form one super-absorbent mat capable of drinking up huge volumes of liquid
– Tough, spunbond top layer stands up to heavy foot traffic; won't rip, tear, fray or create a trip hazard, even when saturated
– Fast-wicking "diaper action" transfers liquids into the absorbent inner layers to keep moisture away from surface
– Absorbs and retains oils, coolants, solvents and water
– Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
– Can be wrung out and incinerated after use to reduce waste or for fuels blending
– Rolls are ideal for covering large areas and soaking up leaks and overspray
– Easy-tear perforations let you take only what you need, so you use less mat and save money
– Extreme-weight Fat Mat construction is ideal for applications that require long life and high capacity

Colour	Grey
Dimensions	81cm W x 23m L
Mat Weight	Extremeweight
Fluids Absorbed	Oils, Coolants, Solvents & Water
Recycled Content	25% or more Recycled Content
Absorbency	Up to 151.6 L per bag
Perforated	Perforated Every 25cm Lengthwise & Centred Widthwise
Sold as	1 roll per bag

Weight	13.6 kg
# per Pallet	12
Composition	100% Polypropylene
Packaging	Bag
Poly-Backing	No
UV Resistant	No
