

PIG® FAT MAT® Super-Absorbent Mat

MAT4102 Extremeweight, 81cm x 23m, 1 roll

This extra-thirsty PIG Mat is made twice as thick for your biggest clean-ups.

- Twice as many layers as original PIG Mat; 100% polypropylene is thermally bonded to form one super-absorbent mat capable of drinking up huge volumes of liquid
- Tough, spunbond top layer stands up to heavy foot traffic; won't rip, tear, fray or create a trip hazard, even when saturated
- Fast-wicking "diaper action" transfers oil into the absorbent inner layers to keep moisture away from surface
- Absorbs and retains oils and oil-based liquids - including lubricants and fuels - without taking in a drop of water
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat whilst on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Rolls are ideal for covering large areas and soaking up leaks and overspray
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Extreme-weight Fat Mat construction is ideal for applications that require long life and high capacity

Specifications

Colour	White
Dimensions	81cm W x 23m L
Mat Weight	Extremeweight
Fluids Absorbed	Oil-Based Liquids But Not Water
Absorbency	Up to 151.6 L per bag
Perforated	Perforated Every 25cm Lengthwise & Centred Widthwise
Sold as	1 roll per bag
Weight	13.6 kg
# per Pallet	12
Composition	100% Polypropylene

Packaging	Bag
Poly-Backing	No
UV Resistant	No
