

PIG® Form-A-Funnel® Flexible Draining Tool

TLS704 13cm x 74cm, 1 each

Save 70%. Was £29.00, now only £8.70. Don't miss out on this amazing clearance offer -- once they're gone, they're gone!

- Molds into and holds any shape to create a leakproof channel for draining oil or fluid
- Thick, pliable nitrile rubber encases a thin layer of alloy to allow thousands of shapings
- Highly-compatible nitrile resists common vehicle liquids in temperatures from 0 to 300° F
- Soft rubber edge forms a seal around filters or drains
- Easily wipes clean with most cleaners and degreasers
- Easy to store flat or rolled up in toolbox or glove compartment
- Extra-long model is ideal for draining and filling fluids in small aircraft and other vehicles
