

PIG® GRIP-DRI

PLPE260 For Oils, Coolants, Solvents & Water,
Absorbs up to 19.8 L, 1 bag

If you're facing a spill of oils, coolants, acids, caustics or flammables, you can rely on PIG® GRIP-DRI to clean it up. These quick-acting granules are non-flammable, chemically inert and won't release retained liquids, even in heavy traffic!

- Fast-acting universal absorbent is chemically inert, making it compatible with almost any liquid; instantly soaks up oils, coolants, solvents, water, acids and caustics
- Remains granular, even when saturated, to provide excellent retention; stands up to heavy traffic without releasing liquids
- Fire-retardant product is ideal for use with low-flash point solvents and other flammables, and in high-temperature applications
- Micro-granular formulation absorbs 25% more liquid than regular moler absorbents
- Low-dust and easy to sweep away; won't leave behind an oily sheen or residue, so it helps you create cleaner, safer floors
- Non-toxic mineral product is safe to handle and use without any risk
- Tested as per UNI CEN/TS 15366:2010, MPA Typ III R, and NF P 98-190

Specifications

Colour	Pink/Brown granules
Fluids Absorbed	Oils, Coolants, Solvents & Water
Absorbency	Up to 19.8 L per bag
Sold as	1 bag
Weight	15 kg
# per Pallet	70
Composition	Danish Moler
Volume	30 ltr. Bag
