

# PIG® HazMat Chemical Absorbent Mat Pad in Lab Bench Box® Dispenser

MAT3510 Heavyweight, 33cm x 25cm, 100 pads

Specially-treated mats are the best on the market for absorbing highly concentrated corrosives like 98% sulfuric acid and 30% sodium hydroxide.

- Absorbs the widest range of acids, caustics and unknown liquids - even those with high concentrations like 98% sulfuric acid and 30% sodium hydroxide
- Chemical-resistant mat won't degrade or cause a dangerous reaction upon contact with corrosive spills
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave behind liquids or fibre residue
- Absorbs and retains most acids, caustics and unknown liquids
- Pink colour is easily distinguishable to assure workers use the correct mat during a spill emergency
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Compact Bench Box Dispenser protects a personal supply of PIG Mat Pads from dirt and moisture; easy to store nearby or take on the go
- Notches on back of box allow for wall mounting or hanging on hooks
- Heavy-weight construction is highly durable and absorbent for demanding tasks and large-volume cleanups

## Specifications

|                 |                            |
|-----------------|----------------------------|
| Colour          | Pink                       |
| Dimensions      | 33cm W x 25cm L            |
| Mat Weight      | Heavyweight                |
| Fluids Absorbed | Acids, Caustics & Unknowns |

|                     |                                  |
|---------------------|----------------------------------|
| <b>Absorbency</b>   | Up to 37.1 L per case            |
| <b>Perforated</b>   | Perforated down centre Widthwise |
| <b>Sold as</b>      | 100 pads (4 boxes of 25 each)    |
| <b>Weight</b>       | 4.6 kg                           |
| <b># per Pallet</b> | 36                               |
| <b>Composition</b>  | 100% Polypropylene               |
| <b>Packaging</b>    | Dispenser Box                    |
| <b>Poly-Backing</b> | No                               |
| <b>UV Resistant</b> | No                               |
