

PIG® Heavy Fluids Mat

MAT209 Heavyweight, 46cm x 56cm, 50 pads

Standard mats can't handle thick liquids - but these absorbents are specially designed to drink up paints, glues, resins and other viscous liquids.

- Thirsty air pockets absorb even the stickiest heavy liquids with only slight pressure
- Ideal for cleaning up paint spills, glues, resins, liquid chocolate, syrup and varnish
- Quickly absorbs thick, high-viscosity liquids that conventional absorbents can't
- Can also be used to filter metal chips and other large debris from liquids
- Pads are ideal for cleaning up smaller spills of thick liquids

Specifications

Colour	White
Dimensions	46cm W x 56cm L
Mat Weight	Heavyweight
Fluids Absorbed	Viscous Oil- & Water-Based Fluids
Absorbency	Up to 182 L per bag
