

PIG® High-Reach Leak Diverter

TLS564 30cm x 28cm

Telescoping pole extends into place to install a Leak Diverter up to 6m in the air without a ladder.

- Lengthen telescoping pole to quickly catch leaks and channel them to a floor drain or collection container
- Tension mounted pole with rubber cups secures pole to floor and ceiling
- Makes it easy for one person to install or move a Leak Diverter from one location to another
- Nonpermeable tarp is vinyl-coated for strength and durability; resists punctures, UV and mildew for long life
- Hose sold separately
