
PIG® High-Visibility Yellow Mat

MAT605 Heavyweight, 38cm x 51cm, 100 pads

Everyone will know there's a cleanup in progress when you use our Yellow Mat. Hi-viz spill absorbents alert workers to potential hazards or repairs.

- High-visibility yellow colour is easier to see in poorly lit areas to minimise tripping hazards; alerts workers to potential dangers and work in progress
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
- Absorbs and retains oils, coolants, solvents and water
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Dispenser box makes it easy to take, carry and store your mat whilst protecting it from dirt and moisture
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups
