

PIG® Large Spill Caddy Protection Cover

PAK880 For PIG® Large Spill Caddy

Durable cover protects absorbents inside your PIG Large Spill Caddy from dust, dirt and moisture.

– Durable vinyl cover protects against dust, dirt, debris, moisture and UV weathering damaging your absorbents
– Zipper and storm flap allow easy access to spill kit absorbents without removing the cover completely
– Cover is high-viz yellow for easy identification when responding to spills
– Exact fit for PIG Large Spill Caddy
