

PIG® Leak Diverter Absorbent Mat Pad Pack

MATE655 Lightweight, 28cm x 33cm, 30 pads

Everyone will know there's a cleanup in progress when you use our Yellow Mat. Hi-viz spill absorbents alert workers to potential hazards or repairs.

– High-visibility yellow PIG Mat Pads soak up puddles to keep floors safe
– "Caution" message draws attention to the spill
– Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
– Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
– Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
– Absorbs and retains oils, coolants, solvents and water
– Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
– Light-weight construction is ideal for small tasks and clean-ups
