PIG® Low-Profile Leak Diverter

TLS190 29cm x 23cm

Leaky pipe in a tight spot? Low-profile design is great for capturing leaks where full-size designs can't fit.

- Low-profile design and compact size let you target a specific leak in tight spaces
- Nonpermeable material is vinyl-coated for strength and durability; resists punctures and mildew for long life
- UV resistant up to 12 months for long-term outdoor use without degradation
- Built-in grommets and rubber straps (sold separately) make it easy to hang from an overhead pipe
- Accepts a standard 3/4" hose connection to safely channel liquid to floor drain or collection container (hose sold separately)
- Flow rate of 12.6-litres per minute when used with a 1/2" ID hose

Flow Rate

Includes

12.6 ltr. per Minute

- 1 Leak Diverter
- 1 3/4" Drain Fitting
- 6 Grommets
