

PIG® Mobile Container Kit Cover

PAKL201 For PIG® Mobile Container Spill Kits

Add weather protection to your Mobile Container Spill Kits for outdoor storage!

- Durable UV-resistant, PU Coated Fabric Cover protects 120L Spill Kits and contents from the weather; bin can be kept outside without the contents being affected by UV or dampness
- See-through pocket (30.5cm W x 24cm H) for label or SDS sheets enables Spill Kit to be properly identified; keeps SDS sheets for contents safe and accessible
- Elasticised drawstring closure ensures a tight fit around the container so it won't blow off in windy conditions, yet allows quick removal of the cover for quick access to the spill kit
- Hi-Vis Yellow colour makes Kit extra visible; helps decrease spill-response time

Item#	Description	Dimensions	Weight
