
PIG® Multi-Purpose Epoxy Putty

PTY291 18cm, 12 each

Top quality resins bond better and stay stronger so repairs last. Fix it fast and fix it right with PIG Epoxy Putty.

– Customer-favourite PIG Epoxy Putty sticks to almost anything and cures fast
– Made with the highest-quality epoxy resins to bond better and stay stronger; adheres to steel, glass, masonry and most plastics
– Convenient, premeasured epoxy has Parts A and B in one tube ready for kneading
– Cures concrete-hard in 1 hour for drilling, tapping, sanding or painting
– Nontoxic, VOC- and solvent-free putty can be used on potable water lines
– 3- to 5-minute working time
– A great addition to any toolbox or response kit
– PIG Putty is not intended for making structural repairs
