

PIG® Oil-Only Maintenance Socks

SKM500 8cm x 122cm, Absorbs up to 113.7 L per box, 30 socks

When UV rays aren't a factor, use these these 95% recycled content socks for oil leaks and spills indoors.

- Nobody knows more about socks than New Pig
- we invented them!
- Designed for use indoors, these socks absorb a variety of oils, solvents, food-grade oils and other hydrocarbons, but not a drop of water
- Economical design for general, daily use compared to socks for specialty applications
- Tan colour hides grime to stay on the job longer; discourages changeouts before sock is saturated
- 95% recycled content is ideal when you want or need to purchase green products
- Filler is a mixture of pre- and post-consumer hydrophobic newsprint
- Note: Not recommended for continuous outdoor use
