

PIG® Oil-Only Mat

MAT485 Lightweight, 38cm x 51cm, 200 pads

Our most cost-effective mat when you only need to absorb oil. Loves oil. Hates water. Saves money.

- Our most cost-effective mat when you only need to absorb oil-based liquids
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave behind liquids or fibre residue
- Absorbs and retains oils and oil-based liquids - including lubricants and fuels - without taking in a drop of water
- Bright white colour makes absorbed oil easier to see; draws attention to machine leaks and clearly shows saturation level during spill response
- Floats to clean up spills on water
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Dispenser box makes mat easy to access, carry and store whilst protecting contents from dirt and moisture
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Light-weight construction is economical for small tasks and cleanups

Colour	White

Dimensions	38cm W x 51cm L
Mat Weight	Lightweight
Fluids Absorbed	Oil-Based Liquids But Not Water
Absorbency	Up to 83.6 L per dispenser
Perforated	Perforated down centre Widthwise
Sold as	200 pads per dispenser
Weight	8.17 kg
# per Pallet	30
Composition	100% Polypropylene
Packaging	Dispenser Box
Poly-Backing	No
UV Resistant	No
