

PIG® Overpack

PAK384 246 L, UN1H2/X200/S, 1 each

Tough enough for rough handling, guaranteed.
Ship your haz waste in our UN Rated overpacks to stay compliant with regs.

- Tough UN Rated overpack is built to withstand rough handling. Guaranteed.
- X-rated for Packing Groups I, II and III, so it's ideal for regulated packaging applications, including shipping hazardous waste by land, sea or rail
- 100% polyethylene material with UV inhibitors is durable, light-weight and chemical-resistant
- Containers are nestable when empty to save storage space
- Designed and proven to withstand the abuse of shipping to help keep hazardous waste safely contained
- Specifically designed and sized for leaking drums up to 115-litres
- Leakproof, twist-on lid is notched so you can easily tighten it with a 2x4 or pole
- Integrated ledges molded into container let you move overpack with a forklift
- Made from FDA-Compliant resins for containment of food and cosmetic products
