

PIG® Overpack

PAK709 115 L, UN1H2/X70/S, 1 each

Tough enough for rough handling. Ship your haz waste in our UN Rated overpacks to stay compliant with regs.

- Tough UN Rated overpack is built to withstand rough handling
- X-rated for Packing Groups I, II and III, so it's ideal for regulated packaging applications, including shipping hazardous waste by land, sea or rail
- Polypropylene material with UV inhibitors is durable, lightweight and chemical-resistant
- Containers are nestable when empty to save storage space
- Designed and proven to withstand the abuse of shipping to help keep hazardous waste safely contained
- Specifically designed and sized for leaking drums up to 61-litres
- Two broom holes 180-degrees opposite each other on the lid allow 100% positive leverage for easy opening and closing with a broom handle or bar
- Integrated ledges and handles molded into container let you move overpack with a forklift or by hand; foot hold in the drum base allows you to hold the drum securely in position while opening or closing the lid
- Apply a tamperproof seal to alignment holes on lid and drum to ensure contents aren’t disturbed
- Features enhanced lid and base design for added strength and security for stacking or if the drum is accidentally dropped
- Made from FDA-Compliant resins for containment of food and cosmetic products

Item#	Description	Dimensions	Weight
