

PIG® Pillow-In-A-Pan

PAN201 27cm x 27cm x 8cm, Absorbs up to 45.6 L, 1 each

PIG Pillows rest in low-profile pans to absorb and contain equipment leaks and persistent drips.

- Pillow has large surface area, high capacity and fast-wicking filler to quickly soak up liquids
- Polypropylene skin resists tearing; reduces dust and holds in liquid, even when saturated
- Cellulose filler is highly absorbent for long-term use
- Durable, low-profile pan slides underneath machinery and into other tight spaces; acts as a barrier to contain liquids
- Absorbs and retains oils, coolants, solvents and water; not recommended for acids, caustics or other corrosive liquids
- Extra pillows are included so you can work longer before needing replacement absorbents
- Pillows can be incinerated after use to reduce waste or for fuels blending
- Use under leaking spigots, flanges, machinery and pipes to absorb nuisance drips; keeps your floors clean and safe

Specifications

Colour	Pan - Black; Pillow - Grey
Dimensions	27cm W x 27cm L x 8cm H
Fluids Absorbed	Oils, Coolants, Solvents & Water
Recycled Content	98% Mixture of Pre- and Post-Consumer Recycled Cellulose Filler
Absorbency	Up to 45.6 L per box
Sold as	1 per box
Weight	7.98 kg
# per Pallet	24
Composition	Pan - High-Density Polyethylene (HDPE) Pillow Skin - Polypropylene Pillow Filler - Cellulose Fibres
Includes	24 - 25cm x 25cm x 5cm PIG® Pillows (PIL204) 12 - 27cm x 27cm x 8cm PIG® Utility Pans (PAN404)
