

PIG® Poly-Back Universal Mat

MAT283 Heavyweight, 79cm x 23m, 1 roll

PIG Mat lasts 2X longer than ordinary mats for fewer change-outs. It absorbs oils, coolants, solvents and water; just about any mess you need to clean up!

- Lasts 2X longer than ordinary mats for fewer change-outs; that's why more plants worldwide use PIG Mat than any other brand
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Poly backing prevents absorbed liquids from reaching floors or counters
- Place over a spill with poly-back side up to suppress potentially harmful, flammable or irritating vapours
- Rolls are ideal as a work surface for repairs or maintenance - poly backing prevents grease and oil from seeping through
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups

Colour	Grey

Dimensions	79cm W x 23m L
Mat Weight	Heavyweight
Fluids Absorbed	Oils, Coolants, Solvents & Water
Recycled Content	25% or more Recycled Content
Absorbency	Up to 77.7 L per bag
Perforated	Not Perforated
Sold as	1 roll per bag
Weight	8.6 kg
# per Pallet	24
Composition	Mat - 100% Polypropylene Barrier - 100% Polypropylene
Packaging	Bag
Poly-Backing	Yes
UV Resistant	No
