

# PIG® Poly-Back Universal Mat

MAT285 Heavyweight, 39cm x 51cm, 50 pads

PIG Mat lasts 2X longer than ordinary mats for fewer change-outs. It absorbs oils, coolants, solvents and water; just about any mess you need to clean up!

- Lasts 2X longer than ordinary mats for fewer change-outs; that's why more plants worldwide use PIG Mat than any other brand
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat whilst on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Poly backing prevents absorbed liquids from reaching floors or counters
- Place over a spill with poly-back side up to suppress potentially harmful, flammable or irritating vapours
- Pads are ideal for catching drips and soaking up spills
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups

Colour

Grey

Dimensions

39cm W x 51cm L

<b>Mat Weight</b>	Heavyweight
<b>Fluids Absorbed</b>	Oils, Coolants, Solvents & Water
<b>Recycled Content</b>	25% or more Recycled Content
<b>Absorbency</b>	Up to 43.2 L per bag
<b>Perforated</b>	Not Perforated
<b>Sold as</b>	50 pads per bag
<b>Weight</b>	5 kg
<b># per Pallet</b>	60
<b>Composition</b>	Mat - 100% Polypropylene Barrier - 100% Polypropylene
<b>Packaging</b>	Bag
<b>Poly-Backing</b>	Yes
<b>UV Resistant</b>	No
