

PIG® Poly Drum Rack

DRM463 For Poly Spill Pallets, 1 each

With our poly rack in place on your spill pallet or deck, drums can be stored horizontally for easy dispensing from a drum tap.

- Use one rack on a 2-drum pallet or deck to catch leaks and drips; place two racks side by side on a 4-drum pallet or deck
- Front is indented to hold a 19-litre bucket right under the drum tap
- Lightweight polyethylene won't rust or corrode; holds up to 340kg
- Rack is sloped forward to drain drum contents

Specifications
